APPAREL & HEADWEAR

corporate catalogue

since 2007

A Letter From Our President

Your best ambassador.

Welcome to the premiere edition of
Mrreh Apparel and Headwear Catalogue.

Since 2007, we strive to render exceptional and enduring experiences to our valued partners and consumers. We believe in patiently focusing on what works best and sourcing the most extraordinary materials to create modest designs that is both economical and durable.

In fact, our foundation is built upon a reliable scheme with direct manufacturing establishments in China and Bangladesh; while operating lean warehouses in Toronto, Canada. This enables an extensive stock collection ready for immediate pickup or dispatch, and a complete custom enterprise to deliver any desirable apparel or headwear within safe budget and schedule.

We have attentively put together this catalogue as your go-to promotional guide with the vision of connecting more communities through the art of content branding and impressions. Thereby, we hope to promote an exceptional experience for you and your renowned fellowships.

Sincerely,

Michael M. Hoque, PhD.

Our Promise

Longevity

Mrreh Apparel and Headwear demonstrates reliability, and accuracy in delivering economical promotional apparels and headwear.

Above all, we devote our infinite passion to publicize organization culture, and enhance the pleasurable experience for outdoor enthusiasts.

Choose from our exclusive selection or allow us to help you create your own desired promotional product.

Decorative Services

Explore the locally available technology to enhance and showcase your desirable hallmark.

Embroidery

Extremely durable, efficient and classic. Embellish our product with heavy weight rayon or polyester threads. Embroidery patch are available onto ultra suede or faux leather.

Requirement: tape digitizing, .dst file

Screenprinting

Effective and creative message or ink to be printed onto our product. Type of ink: plastisol, water based, foil print, bleach out, flock print, metallic, high density.

Requirement: Max size: W13"xH18".

File: .ai or .eps or .pdf or .bmp

Laser

Beautiful, subtle and refined new look. This is the ultimate & sophisticated way to showcase fine details. One step process by firing laser onto fabric to the colour beneath. Ideal for polyester fabric.

File: .ai or .eps or .pdf or .bmp

Heat Transfer

Ideal for intricate design for full colour and gradient images. Two part step by printing design onto heat transfer material and pressed onto our fleece or headwear.

Custom Overseas

Reliably delivering on budget & on schedule.

For Your Consideration

1. We recommend to clarify your expectation and ideas via drawings and examples.
2. Mrreh will act as designer and consultant to define product development plan, and guide you through each stage with your review and confirmation. This service has no cost.
3. Digital sample requires 2 weeks of lead time upon confirmation of Purchase Order.
4. Physical sample review is the most critical step; we recommend thorough review before final approval. Charges will apply for any additional changes to the initial sample. Cancellation fee will apply. Sample production will be free of cost once confirmation to main production is given.
5. Once final production starts, no further changes will be made.
6. Delivery by air takes 4 to 6 weeks, while by ocean takes 8 to 12 weeks for the entire process.

Our Request

Minimum Pieces:

1. Headwear 288
2. Apparel 600

It is Mrreh's duty and desire to fulfil your decision to outsource. With 10+ years of direct collaboration with global manufacturing exporters, we believe in our performance and capabilities to succeed with you.

Expectations are high at the first step, yet with trust and confidence, we will guide you through the process of creating a high quality product within competitive price and timely shipment.
